

# MEET OUR BIBLE MEMORY BUDDIES®!

Each day at High Seas Expedition, kids meet an adorable Buddy who reminds them of the day's Bible Point. They're Bible Memory Buddies! We'll let our colorful crewmates speak for themselves.

## I'm Scully!

Sailors trust a compass to point them in the right direction. God's Word is true—it'll guide you every day!

To help kids remember these important Bible truths, the Sail Away Cinema Leader (and Chadder's Theater Leader for preschoolers) will give each child a Bible Memory Buddy each day to add to the child's Ship Clip Bible Buddy Keeper (an awesome craft that kids make on Day 1). And each Buddy has the Bible verse inscribed on it. Kids will love collecting these Buddies! And you'll be amazed at how the Bible Memory Buddies help kids apply Bible truths to everyday life.

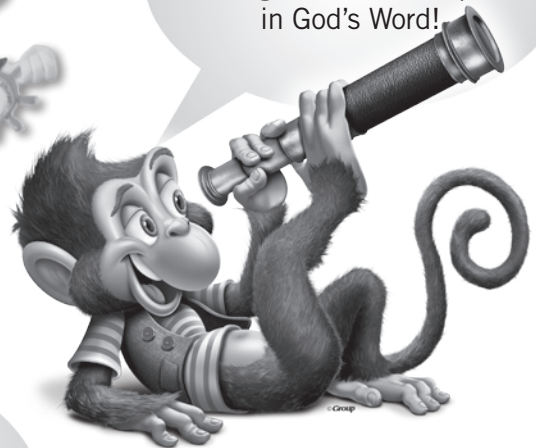

## Marina here!

The Bible is comforting, like an anchor in a storm. You can hold tight to God's Word!

## My name's Wink.

Wow! Look at all the big, wild, amazing, incredible surprises in God's Word!

## I'm Salty!

The captain needs a wheel to change the ship's direction. God's Word will change the course of your life—it's life-changing.

## Greetings from Lacey!

A map shows all the places we can go to share God's Word. God's Word is for everyone.
