What to Expect

- At **SCUBA VBS**, kids will dive into friendship with God! SCUBA is filled with awesome Bible-learning experiences kids see, hear, and touch! Sciency-Fun Gizmos, team-building games, unforgettable Bible songs, and tasty treats are just a few of the standout activities that help faith flow into real life!
- Each participant will be assigned a **VBS Crew and color**. Kids will remain with these **pre-assigned** crews (we will accommodate friend requests as much as possible). You can help out by preparing your child to be excited for their crew.
- Since everything at VBS is hands-on, kids might get a little messy. Be sure to send them in **play clothes and safe shoes**.
- All games will be played outside.
- Children and staff will **sanitize or wash hands** between each station rotation.
