

# Knox Oakville VBS 2025 Media Waiver (Both Campuses)

We love to share the fun! During the weekend, volunteer photographers from Knox Presbyterian Church, Oakville, will be taking photos and videos of the children, youth, and volunteers. These photos and videos may be used:

- during worship services at VBS;
- posted around the church buildings during and after the event, including on digital signage;
- on Knox Oakville's website, social media platforms, and in the church newsletter;
- in worship on Sunday mornings, including the livestream of the service on our website, YouTube, and Facebook pages;
- in publicity materials for future VBS and/or church events.

Our preference is not to identify children by name. If it's necessary to include a name for context, we will use only the child's first name, and will use it only in internal communications (like our digital signboards at the church.) No names will be used on social media, the website, or any public-facing media.

## Individual Consent and Release

On behalf of the child identified below for whom I am the parent or legal guardian, I hereby:
