

RELEASE ALL CLAIMS

As the parent or guardian of a child involved in the Community Bible Camp program supervised by local churches, I understand that my child is participating in a program which may pose a risk of injury. I understand that while the churches and their representatives are volunteering their time and are safety conscious, they cannot always protect my child from his/her own negligent acts or the negligence of other children, parents or supervisors who might be participating in the program. I realize that as a parent, I have a responsibility to instruct my child to be careful and to behave in a safe manner and that, despite everyone's best intentions, injuries including on rare occasions, fatal injuries, could occur. I also understand that programs such as Community Bible Camp would not occur without volunteers and that people will not volunteer their services if they are worried about being sued if someone gets hurt.

With full knowledge of the foregoing facts and circumstances, I have concluded that I would like my child to attend Community Bible Camp and, in consideration of the facilities and services offered by the churches and their representatives, I have agreed to execute this release.

RELEASE

Therefore, in consideration of the services and use of the facilities provided by the local churches at no charge to me or my child, I hereby release all participating churches, including but not limited to the Church of God, Calvary Chapel of Montesano, Catholic, Episcopal, Central Park Neighborhood Church, Methodist, Presbyterian, and Assembly of God churches as well as all of their volunteers, employees and other persons volunteering, from any and all claims for personal injuries to my child or for any other claims of any nature related to the use of the services or facilities except such injuries as may result from the intentional acts of any party to be released by this Agreement.

I further release and discharge any and all other persons, firms, or corporations who might be liable by virtue of their relationship to the churches.

The foregoing release has been carefully read by me and the contents of this Agreement is clear. This document is signed as my free act, knowing that it constitutes a complete and total release of all claims covered by the Agreement.
