

Hastings Park Bible Church is an active member of Plan to Protect®

It is of utmost importance that we strive to create a safe environment for your children. and for our volunteers who work in our Child and Youth Ministries. Abuse prevention, safety, and protection policies are in place to ensure that your child is in a safe environment when they are in our care. All volunteers working in our Child and Youth Ministries have completed the Plan to Protect® training in the best policies, practices, and procedures for working with children and youth in our care.

For further information about Plan to Protect®, you can visit their website, www.plantoprotect.com, or speak with Gail Stanley, our Plan to Protect® Trainer and Coordinator.
