

We are so excited to have you be a part of our summer VBS! Jesus' light will surely shine BRIGHT as this great group of children and adults sing songs of praise and learn about His love for us!

Please take a few moments to read over the following important information.

As always, please email or call with any questions.

*Renee Hilley, Children's Director*

We plan on having a VBS full of fun! Children will be playing recreation games each night. We hope that no injuries occur but here is our plan if your child gets a boo boo:

**Minor Injuries:** Scrapes, cuts, and other minor injuries will be treated with basic first aid care...cleaning the area, applying antibiotic ointment and a band-aid. Your child will be given an Incident Report sheet to take home to let you know what happened and how their injury was treated.

**All other injuries:** If injuries occur that appear to be more serious, the VBS Director will contact you to let you know what has happened and if we feel that they need to be picked up. Please make sure that you have listed the best contact numbers for you or another family member so that we may get in touch with you quickly if needed.

**Medical Needs:** If your child has an epi pen or any other emergency medicine, please contact Renee Hilley ahead of time to discuss plans for keeping medicine at VBS. Please make sure ALL allergies (food and environmental) are listed on your child's Registration Form.
