This week, we've been learning about how **I can celebrate Jesus** by throwing the biggest party ever! Today, we talked about how Jesus said we are the light of the world. Your child learned that we shine a light when we're kind and forgiving and when we help and share too. In this bag, you'll find different items to start a party of your own at home. We encourage you to toss some confetti and streamers and celebrate Jesus, because Jesus wants to be our friend forever! When you notice your child being kind, helping, sharing, or forgiving, remind them that their light is shining bright and helping others see that Jesus is the best friend ever!

Thank you for sharing your child  
with us this week!
