### **Drop Off & Pick Up**

In order to make drop off and dismissal go as smoothly and SAFELY as possible, we will be using a car rider drop off very similar to the car rider lines your child uses at their school throughout the school year.

Each registered child will receive a special car rider tag with their name on it, along with other important information, in the mail the week before VBS. Please make every effort to preregister using the online form or by printing off the registration form and mailing it to:

JFUMC, Attn: Renee Hilley  
188 Martin Street  
Jefferson, GA 30549

All adults wishing to register their child the day of the event must park and come to the Registration Tables to fill out forms and receive their car rider tags. Please arrive 30 minutes early to allow time to complete the necessary paperwork.

**Drop Off:** Each night, you will need to park and bring your child to the registration table located to the left side of the Gordon Street building. Please follow all directional signs and volunteer directions. A snack supper, water/lemonade, and another snack will be provided during the event. Therefore, your child does not need to bring anything with them. If your child has any medical needs (epipen, inhaler, etc), please contact Renee Hilley in advance and plan to speak with a member of our Registration Team before sending in medication. There will be a medical form that you will need to complete.

**Dismissal:** Children will be dismissed using the car rider system very similar to the system used by local elementary schools to pick up students. Cars **MUST** display the car tags to our JFUMC Volunteer Staff. You **MUST** have the original car rider tag for us to allow the child to leave with you-**for your child's safety there will be NO EXCEPTIONS.** Please note that your child will be released to anyone who displays their tag. If you do not have the original car tag, you must park and bring your ID to the Registration Table for verification. Please be patient and understanding during this process as we aim to ensure the safety of each child.
