Administration of Medication - Archdiocesan Board of Education Policy 5141, items 9-10.

- 9. Dispensing of prescription medication
 - 1. For Catholic schools - Dispensing of prescription medication will be administered by a nurse or designated party with training and with the written consent of parent(s)/guardian(s). Prescription medication must be provided to the school in the original labeled container containing the physician's name, name of the medication, and dosage/frequency to be given. A record of each dose of medication administered will be documented in the pupil's health record.
 - 2. For all other youth programs - Dispensing of prescription medication will be self-administered by the child if a written consent of parent(s)/guardian(s) accompanies the prescription medication and the following terms are followed. The prescription medication is provided in the original labeled container containing the physician's name, name of the medication, and dosage/frequency to be given; the prescription medication is turned into the event supervisor who will hold all medication until the child/youth requests the medication for self-administration, the prescription medication is self-administered in the presence of the adult supervisor and for only the dosage stated on the prescription label.
 - 3. Students utilizing asthma or airway constricting prescription medication are allowed to administer their own dosage provided a completed consent form is on file in the school/program office. Such forms must be filed annually.
 - 4. Contraceptives will not be dispensed. Iowa Code §280.16
- 10. Dispensing of nonprescription medication may occur, provided the parent/guardian have signed and dated an authorization identifying medication, dosage, and time interval to be administered. Nonprescription medications can be provided on off-site field trips if the parent/guardian signs a nonprescription medication authorization for each off-site field trip.
