

# Children & Youth Worker's Yearly Update

## Purpose

The following application is required to be filled out completely by applicant for any paid or volunteer position engaged in the supervision, care or custody of children and youth. It is unfortunate that the society we live in dictates this type of application, however it is one tool that is used to ensure that our ministry remains above reproach.

This screening tool is not a perfect instrument, but it is designed with the hope of creating an environment of consciousness-raising, which acts to diminish the possibility of abuse within our ministries at Harvest Baptist Church.

The questions contained herein are not designed to offend or pass judgment, but rather create an environment where a person's past will not hinder the ministry in carrying out its mission in a safe, and productive way. The information obtained will be treated with the utmost of confidentiality and respect. We have mandated strict criteria for the treatment and storage of these documents and they will be stored under lock and key.

Harvest Baptist Church will routinely conduct a criminal background check on everyone who serves or applies to serve on a regular on-going basis in the children or youth ministries. You will have the opportunity to respond to (verify, explain or refute) any negative information that may show up on such a background check.

Thank you for your continued service in HBC Ministries.

If you have any questions about this update, please call the church office: 630-554-3858.
