

## Covid 19 Announcement

Welcome to Rivers Edge Fellowships V.B.S program, 2021!

We are so excited to host you and your family this year! We are ready to have a ton of fun while learning the most important truth, that you are treasured and loved by God.

We know that the Covid 19 Pandemic has brought much uncertainty to our world and to some families, much loss. We grieve with you who are grieving, and we celebrate with those who have recovered. We are thankful that in times of uncertainty, we know that God is constant, and He is good.

Our VBS program will be making use of basic health screenings at registration, regular sanitization of surfaces before/ after rotations and will be encouraging handwashing while providing sanitation stations throughout the program. Our leaders will also use sanitation practices when serving and prepping food. We will allow families to decide upon wearing masks to the program based on their own discretion, and we respect your freedom to make that choice for yourself. We will have a clean environment for your children to enjoy and look forward to hosting you! God bless you!
