

## **COVID PROTOCOLS FOR ROCKY RAILWAY VBS 2021:**

- While indoors: masks required.
  - Exception: while kids are in their stations and can be socially distant AND not moving around, they can remove their mask. The Station Leader will determine this based on what activities they have planned. Each station will be in a very large room to allow kids to spread out.
- While outdoors: masks NOT required.
  - Games and Snack time will be outside.
- Water bottles will be provided for kids and volunteers. Disposable cups and water provided for preschoolers. No water fountains will be available.
- Lanyards will be given to kids to keep their masks on since they'll be removing it often.
- Room capacity signs will be posted outside each door with a maximum capacity.
- A "Sanitizing Squad" made up of volunteers armed with sanitizing wipes and supplies will be available to wipe down door handles and light switches and other hands-on items.
- Spare masks for kids and volunteers will be available.
- Hand sanitizer and other cleaning supplies will be available.
