VBS Youth & Young Adult Volunteer Information Rocky Railway VBS June 21-25, 2021

APPLICATION DEADLINE: May 20, 2021
Submit application with signatures & reference letter to the Director.

Hello Parents & Youth Volunteers!

Youth volunteers fill a vital role here at Sts. Peter and Paul Vacation Bible School! They are great role models for the children who attend and tremendous help to the adult leaders. VBS would not be the same without them. Here is some information to help you understand the responsibilities of being a VBS volunteer.

As a volunteer for VBS you are a LEADER. You must always set a good example. Your ability to demonstrate maturity and responsibility is crucial to be a LEADER. Your ENTHUSIASTIC participation sets a tone for VBS and the campers.

It is important for you to realize that although you are not yet an adult, we expect you to conduct yourself more like an adult than a child. You are expected to fulfill your job without constant supervision. You must be willing to help the adults in charge – in many ways - to meet VBS needs. Your top priority is to keep the children focused and participating so they have a good time while learning about Jesus.

For the job of a volunteer, **PARENT and STUDENT** should discuss the following questions:

- *Do I have a sincere desire to help children know more about Jesus?*
- *Do I desire to serve (give) more than be served (get) from the program?*
- *Can I handle and be entrusted with a 4 hour stretch of independence; doing what is expected of me?*
- *Do I have the maturity to rise above immature behavior going on around me and to set a good example or help correct a difficult situation?*
- *Will I be **ON TIME AND READY TO PARTICIPATE** each and every day I am scheduled to help?*

Before submitting your application as a volunteer, please make sure you can attend **all required Workdays and Trainings**. (See schedule on the back of this form.)

- All volunteers are asked to turn off cell phones during VBS. If you are caught using your cell phone during VBS without permission from an adult leader, you will be asked to surrender the phone until the day is over.
- Any volunteer age 18 or older must comply with all Archdiocese of San Antonio Safe Environment requirements, including online classes and a criminal background check.
- Any volunteer age 12 or older must participate in a workshop to understand basic Safe Environment guidelines.

If this is the right fit for your personality and talents AND you are ready to take on this responsibility, please apply to volunteer for VBS. Key dates for VBS are listed on the back of this sheet. If you have any questions, please feel free to contact 830-625-4531 Kimberly McFadden, ext. 201 or Christine Ikels, ext. 216.

Blessings and thanks for prayerfully considering a role as a VBS Volunteer!
