**Volunteers should complete the online Registration form and read the following information.**

IMPORTANT -- In order to be involved as a Volunteer in our Children / Youth Ministry you will need to have been involved as a regular adherent of Hastings Park Bible Church for a minimum of six months. The 1st step will be to complete an Application to work as a volunteer in our ministries to Children and Youth, available through Gail Stanley. Secondly, please complete the Volunteer Registration under the Vacation Bible School section, under Children's Ministries on our website to let us know of the areas you are interested in serving in.

Once you have completed that and we have checked your references, adults will be required to obtain a Volunteer Police Check with a Vulnerable Sector Screening. (A letter from the church will be provided for you, and any costs associated with that will be reimbursed by the church with proof of payment. A new Volunteer Police Check with a Vulnerable Sector Screening will be required every three years. Youth under the age of 25 are not required to obtain this Police Check.) Your application will be reviewed, references checked, and a personal interview completed. All paperwork and reference information will be kept on file. Please address questions to Gail Stanley at [hpbckids@hotmail.com](mailto:hpbckids@hotmail.com) or call Gail at 613-922-2732.
