

BE Rescued
BE Transformed
BE Different

In an effort to make sure that all our kids are safe and able to enjoy their time at **Overnight VBS 2022** we have a behavior agreement that we need all campers and parents/guardians to be aware of. While attending VBS Overnight, campers are expected to behave appropriately and follow all rules and regulations. We strive to provide a fun, safe, supportive, and exciting learning environment for everyone involved and where Christ's message can be revealed.

All campers attending Overnight VBS 2022 will:

- Follow instructions given by all VBS Overnight leaders
- Respect themselves and others
- Use appropriate language
- Respect the environment, equipment, property, and other campers' belongings (camper and parent/guardian will be liable to cover the cost of damages)
- Not cause physical or emotional harm to other campers or volunteers
- Remain in their cabin after lights out is called
- Participate and remain with their small group leader while on trails and during activities

Failure to abide by these rules will result in the following:

1. Overnight VBS volunteers or LCF paid staff will discuss the behavior with camper
2. Camper may be given a supervised "time out" and not allowed to participate in a subsequent activity
3. Camper may be asked to leave camp in which parent/guardian is responsible for providing transportation home as soon as possible including during night.

By signing below, you are indicating that both camper and guardian have read, understand and agree to the above rules and potential consequences.

CAMPER'S NAME: _____

CHILD'S SIGNATURE: _____

PARENT'S SIGNATURE: _____
