

2017 VBS SECURITY PROCEDURES

In order to better protect and care for the hundreds of children that participate in Vacation Bible School each year, the VBS leadership team has implemented the following security procedures:

1. Each child attending VBS will be assigned a security ID number at registration. This ID number will remain the same for the duration for VBS.
2. The parent/guardian/adult will be given a security ID card that will match the child's ID number.
3. Please remember you must sign your child IN & OUT each day with their crew leader.
4. In order to pick up your child, the parent/guardian/adult (16 yrs or older) must present the security card to the child's group leader. When the group leader sees that the numbers match, you will then be able to sign the child out.
5. If, for any reason, you are unable to present the parent security card at pick-up time, you will need to visit the registration table to show proper ID. New cards will be made to show the crew leader.
6. **Children must be picked up ON TIME. No child care is provided after 8:15 p.m.** Parents are invited to attend the closing session 8:00-8:15 p.m.

Thank you for your understanding as we strive to make your child's safety one of our biggest priorities! The VBS staff has dedicated their time, talents, and energy for you and your child this week. We appreciate your help in helping us keep your child safe!
