

**WELCOME ABOARD  
PARENTS!**

The closing portion of the night will take place from 8:05pm to 8:30pm.  
You are invited to attend this portion of the evening. Dismissal will follow.

Please use these guidelines to ensure a quick, easy and safe check out process.

1. To pick up your child(ren), head to the grade level table(s) in the lobby and give your password.
2. In return for your password, you will receive a nametag(s) for your child(ren).
3. Once you have your nametag(s), head into the Worship Center.  
There are 2 entrances, one in the lobby and one at the end of the long hallway where the restrooms are located.
4. The 2 rows along either side of the Worship Center are reserved for parent seating. Please, enter from the back row and loop around to the front, filling the rows so there are no empty chairs. This becomes the dismissal line.
5. We ask that you remain in the parent seating area during this time. Dismissal will follow our last song. Please do not leave this area to retrieve your children on your own.
6. To ensure everyone's safety, parents hand over their nametag(s) and a runner will retrieve your children and bring them back to you.
7. Exit the Worship Center using the closest door, clearing the pick-up area. Feel free to meet and talk in the lobby to avoid congestion in these high traffic areas.

**PLEASE HAVE PATIENCE WITH US AS WE  
DISMISS SAFELY AND SECURELY.**
