

We hope you are ready for a week full of Twists & Turns! We are preparing and praying for you! Please follow the diagram and instructions for drop off and pick up at VBS.

# FBLR VBS 2023

62 Pleasant Valley Drive

**Drop-off—8:45 am**  
**Dismissal—11:30 am**

## Drop-Off Instructions

To enter the drop-off line, pull into the parking lot from Pleasant Valley Drive and drive around the back of the building making a left at the corner of the building. You will pull around to the front entrance of FBLR that faces Rodney Parham Road.

A VBS volunteer will greet you under the overhang at the front of the building and assist your children as they unload from your vehicle for the morning. You may also park in one of the upper lots and walk your child to the door.

## Dismissal Instructions

To enter the pick up line, pull into the parking lot from Pleasant Valley Drive and drive around the back of the building making a left at the corner of the building. You will pull around to the front entrance of FBLR that faces Rodney Parham Road.

A VBS volunteer will greet you along the way - just like at Chick-Fil-A - to get your name and the names and grades of the children you are picking up. Once you reach the front of the building, your children will be there waiting for you with one of our volunteers. Please remain in your vehicle and let our volunteers help buckle your children. If you prefer to buckle them yourself, please pull straight through and park in the lot just past the overhang.
