

Design A VBS Robot

Step 1. Pick a Robot Theme and decide on a size (**all sizes welcome**).

Themes include:

- General Robot
- Builder Robots—to be used in Bible Rooms
- Painter Robots—to be used in KidVid Rooms
- Experimenter Robots—To be used in Imagination Station Rooms

Step 2. Be creative. Use recyclables like cardboard boxes, water bottles, tinfoil and craft supplies.

Step 3. Have fun!

Great Project for the FAMILY!

All Robots will be used as decorations during VBS.

Bring Robots to the Kids Worship Concert

Friday June 9, 6:00 PM to be on display.

Prize awarded for the Top 3 Robots!

Contact a VBS Design Team Member with any questions.
