

Youth Sunday Morning Connections

The Bible Project is a youth only option that will meet in the Game Room side of the Youth Room at 10 AM. A team of adults will guide 7-12 Grade youth through scripture using the Bible, videos, and discussion. Take a moment and check out thebibleproject.com. We will be starting with the book of Genesis. This option will allow youth to connect to God's Word in a new way. We hope this helps youth to read their Bible and better understand it.

Leader Class meets at 10 AM in the Youth Room. This connection group will be for youth and adults. A team of adults will facilitate a discussion each week on the topic of leadership. This time will include speakers, curriculum, and real life application of servant leadership for school, the workplace, and relationships. Youth and adults will be able to mentor and encourage one another to be loved + sent each week.

LEADERSHIP

Youth will be teamed up with an adult leader and can help a little as 1 time a month up to every Sunday. This is a wonderful multi-generational opportunity to mentor and impact the life of a younger Christian. Please sign-up here to volunteer. vbspro.events/p/events/cmsundayschool
