

Missions Collection

Vacation Bible School 2017: Maker Fun Factory

Join the fun of serving others through our VBS mission collection. Children are encouraged to bring one or more of the items listed on the left side of the page. The girls & boys will have a friendly competition each night to see which group brings in the most items. All items donated will be distributed to needy families through our WCUMC Food Pantry (Grace Place).

In addition, we will collect monetary donations to help build a clean-water well in La Lima, the newest village WC is sponsoring in Nicaragua. Clean water changes lives, and we want to make a difference in the lives of the families of La Lima.

Thank you in advance for embracing this opportunity & helping our children to serve others as Jesus would.

Monday, July 10

PEANUT BUTTER

JELLY

PENNIES for people

Tuesday, July 11
