SUPPLIES TEAM

This team coordinates the supplies needed for the stations. With the exception of “take-home” items from Group, most items can be borrowed, donated, or purchased locally. We have a budget, so shopping frugally will help us be able to serve more kids. During VBS, this team will check with the station leaders to be sure they have what they need for the day.

DINNER TEAM

This team plans the menu, shops for groceries, prepares the meal, and cleans up the Fellowship Hall and kitchen. This team also supports the SNACK FACTORY STATION.

DECORATING TEAM

This team decorates the sanctuary, halls, front foyer, and other areas in the building to create spaces that look exciting and fun. A guide is provided, but your creativity is encouraged! Knowing how to stretch our limited budget is a plus.

REGISTRATION TEAM

This team checks in children as they arrive, issues a nametag and answers any questions parents have about VBS. This table also functions as a first aid and information station. A gift of hospitality to help families feel welcome is a wonderful asset.

STATION LEADERS AND ASSISTANT STATION LEADERS

As a station leader or assistant you will be, “Helping kids discover that they’re made by God and built for a purpose.” Every activity, game, snack, project, song, and story relates directly to this theme. The station guide books have everything you need to be successful as a leader.

This year we will have a supplies team who will help you procure the items you need for your station, as well as a decorating team that is happy to put your space together. This frees you up to really study and learn your material to be well prepared.

Station titles and descriptions are listed on the reverse side of this page. The leader guide books are available in the office if you want to take a look before you decide where to serve.
