

**Dear Parents,**

Vacation Bible School is almost here! This year Rocky Railway VBS is full of over the top adventure where children will find that the Power of Jesus will pull them through life's tough times.

**Please read and keep this information for future reference:**

**Rocky Railway VBS** will take place on August 1-5, 2021 from 6:15 p.m. to 8:30 p.m.

**On the first day**, please sign your child/children in at the registration tables outside the CLC entrance 15 minutes prior to the start of the program. Tables will be marked alphabetically by last names.

**At registration you will receive a pick up number.** Your child/children will have that number on their lanyard nametag. Each evening when dropping off and picking up, all parents must stay outside the building. The family member picking up must show ID to identify they are one of the persons permitted to pick-up their child/children. Pick up may begin at 8:15p.m.

**All of our crew and station leaders** are adults or responsible middle/high school students that are members of Kochenderfer UMC. Each adult leader has been screened and processed with criminal background checks. They have been required to attend leader training that includes safety procedures.

**Each participant that would like a t-shirt** as part of the program, must indicate the child's size and submit a payment of \$6 on the registration form. No extra shirts will be purchased for sale this year. **Orders and payments for shirts are due by July 17, 2021.**

**In accordance with CDC guidelines:**

Masks are required for all persons entering Kochenderfer Church

Hands should be washed or use sanitizer if handwashing is not possible when entering the Church.

Social distancing will be practiced.

**I have read the attached information and agree to comply.**\_\_\_\_\_

It is our prayer that your child will grow in faith in Jesus Christ as their Savior through Rocky Railway VBS this year. It's our #1 goal. May the Lord bless you and your families as we look forward to this exciting week.

See you at the Train Station!

Kochenderfer UMC VBS Team
