

## Our Mission

Our Mission is to see the lost Saved, the saved Freed, the freed Restored, and the restored Fulfilled.

## Compassion Kids Mission

We want children to have a fun time as they learn about Gods truths and applying it to their daily lives.

## Who We Are

- Compassion is a family of individuals that have found hope in **Jesus Christ**, and we simply want as many people to experience that exact same freedom.
- We have a team of Pastors that accept that they are servants of **Jesus Christ** and dedicate themselves to being honest and open to our church family. Our team of pastors will admit that they are human, have made many mistakes, and are continuing to grow in their relationship with **Jesus Christ**. Our team of Pastors have dedicated themselves wholly to leading the young, the old, and all those in between into a relationship with **Jesus Christ**.
- In addition to a wonderful team of pastors, we are fortunate to have many members who have served **Jesus Christ** as missionaries in Africa, Belgium, Costa Rica, China, Mexico, Guatemala, and the United States. These missionaries have dedicated their lives to helping those around them find the joy of **Jesus Christ**, and the freedom that is gained through the relationship with him. Our missionaries include teenagers, young adults, parents, and grandparents. They each have a unique ability to connect to those who have not developed their relationship with **Jesus Christ** yet.
- We are also blessed to have members who are willing and able to help others restore themselves while they grow in a relationship with **Jesus Christ**. These members have a calling to help those who are hurting. They dedicate their lives and share their experiences to help others.
- Who we are is a diverse group of people that love **Jesus Christ** and want to share the joy that comes from that love. We want to invite you to join our family in a fun and adventurous exploration of the friendship available with **Jesus Christ**.
