VBS Youth Volunteer Agreement

Thank you for volunteering for Vacation Bible School! Our youth are a tremendous resource and we value their help each year. Below are some guidelines to follow when volunteering with the younger children. Please read these guidelines over and sign at the bottom. Your signature indicates that you understand your responsibilities to the adults you are working with as well as the children participating in the program.

By signing this agreement, I am pledging my support to the Calvert Grace Vacation Bible School in the following ways:

1. I agree to assist the teachers and children during the bible, craft, games or any other time during VBS.
2. I agree to motivate, encourage, reassure and comfort the children whenever necessary.
3. I agree to stay with the group I am assigned to at all times, unless it is necessary to perform other duties at the leader's directions.
4. I agree to be a Christian role model for the children by using good manners, using appropriate indoor and outdoor behaviour, and treating others with dignity.
5. I agree to encourage responsible behavior of my peers, who have also agreed to assist with VBS.
6. I agree to be present with God and will not use my phone during VBS time.

My signature at the bottom of this agreement means that I am accepting the responsibility of caring for and helping to supervise children in the presence of adults. I understand that I am accepting responsibility to create positive experiences for the younger children as they learn about God.
