

**Faith on the Farm**  
**By: Kimberly Spare**

At Faith on the farm  
God Blesses everywhere  
At Faith on the farm  
He's Patient and he cares  
We'll Hope and Pray and have fun each day  
At Faith on the farm.

The Cows are mooin'  
And the horses are neighin'  
The Corn is reaching to sky!  
When we sing praises with our hearts obeyin'  
We're growing with our faithful  
Growing with our faithful God

At Faith on the farm  
God Blesses everywhere  
At Faith on the farm  
He's Patient and he cares  
We'll Hope and Pray and have fun each day  
At Faith on the farm.

The Chickens are Cluckin'  
And the Sheep are baaing'  
The Pigs are squealing at us too.  
When we sing praises with our hearts obeyin'  
We're growing with our faithful  
Growing with our faithful God
